

# Presbyterian Reformed Church in India

Conference (October 2023)

## Greetings, in the Redemptive name of our Lord Jesus Christ!

We are Praising God for amazing congress we had from 3<sup>rd</sup> to 6<sup>th</sup> of October, 2023 at Papal Seminary - Pune, in which about twenty-five Pastor' and Leaders were there from different regions of India.

### Module study on Luke and Acts

After the understanding the Covenant Theology, now it's the time for the group to dive in the five-module study of Biblical Theology from the Books written by Luke.

### Learning to Expose the text to understand and Preach (Expository Preaching)

The method of "Look," "Understand" and "Apply" the text of the scripture was something which most of the Pastors and leaders found an interesting way of preaching the Bible.

### Christ Centric Approach

Rev. Mauricio and the Ethnos team was focused on the encourage the candidates on preaching Christ from every sermon they preach.
